Christian Education had a blessed year in 2017

I thank everyone who has supported or helped our successful youth programs this year, it's been busy.

The youth have led or been involved in activities and programs such as: Dove's Nest, Youth Yard Sale, Pancake Dinner, Summer of Service, Pumpkin Patch, EYC, Project Host Soup Kitchen and Random Acts of Kindness. At the end of our year we have lots to be thankful for. Our youth have completed a really full schedule with the help of many.

Continuing to build that solid foundation with proven activities, we are also exploring new ideas for this new year, along with maintaining our teaching of God's lessons. Looking in the future we hope to shape a growing program for the church, while following Jesus.

I pray that 2018 will be even better. Please think of our youth programs when planning your activities for the upcoming year. We look forward to spending time with the youth in our church. Let's make the most of our time!

Respectfully,

Joseph Butchko
