Remembrances

Sometimes it is appropriate for persons other than the priest to offer words of remembrance. Remembrances are a time that those close to you may offer special stories about you. Remembrances should be well thought out, written down, and 2-5 minutes in duration. Remembrances take place in the service between the Gospel and the Sermon. Please list below the name(s) of those whom you wish to invite to speak.

Music

The music will be offered by Redeemer’s Music Ministry unless otherwise specified. Service music in the church must be live and, since this is a sacramental service, music should be of a nature that suits the occasion. Other musical selections may be considered for pastoral reasons but may not be used without the knowledge and consent of the Rector.
