## From The Senior Warden

Jack Blackburn

### **“Almost there and still doing His Work”**

The wait for the arrival of Redeemer's next Rector is rapidly coming to an end. The Rev. Catherine L. Tatem is expected to relocate here about mid-August. After taking a week or two to settle into her new home located in Simpsonville, she will officially join us on Sunday, September first. Please mark this date and be sure to help give Rev. Catherine a great Redeemer welcome as we begin our journey together.

In the meantime, Redeemer continues to be blessed by the friendship and spiritual leadership of Fr. Mark Moline, our Interim Priest since June of 2018. Fr. Mark is also the author of his book “A Cross Called Cancer”. He has agreed to do a presentation on this book following the service on Sunday, August 4. There are copies of his book available in the office if you would like to read it. I read his book several months ago, and I encourage you to do the same. You won't be disappointed. Also, please mark your calendars for Sunday, August 25 as we gather to celebrate Fr. Mark and bid him farewell and thank him for his service to Redeemer. The celebration will include a Pot Luck

Lunch in Purser Hall immediately following our Sunday service.

For the last several months our Outreach committee has been meeting to formulate

“a focused, coordinated approach to how Redeemer supports charitable work in our community, and in particular how we can be more effective in our support of Pleasant Valley Connection, Mother Teresa House, and Samaritan House.”

The committee has several objectives which they will be sharing, one of which is to

“Increase the awareness and engagement by our congregation; make involvement and support for our three charities a habit, not a one-time event.”

Pleasant Valley Connection and the role Redeemer plays with them was highlighted at our June second Sunday Service. There will be a presentation highlighting the work of Samaritan House and Redeemer's role with them at our August fourth Sunday Service. A presentation covering Mother Teresa House is targeted for late September or early August.

## Vestry Meeting Minutes

The minutes for the monthly Vestry meeting can be found posted on the bulletin board outside the office.

In closing, I ask for your thoughtful prayer on Financial Stewardship and Vestry Service. As you will read elsewhere in this edition of "Echoes", our Stewardship campaign for 2020 starts on September First and culminates with Stewardship Sunday, October 20. Redeemer's ability to do God's work in the Greater Greenville area and beyond depends on your continued generous support. Remember, it is not that God needs our money, but more that we need to generously and cheerfully give back a proportion of our blessings so that Redeemer might truly do His work.

As for Vestry Service, we are fast approaching that time of the year when we are to elect new members of Vestry Class of 2023. It is an honor, a privilege, and a rewarding experience to serve your Church in this capacity. This is especially true with the arrival of a new Rector.

Please consider serving!

Redeemer continues to be alive doing His work at home and beyond:

*Drawing near to God to make and equip disciples and to live as faithful followers of Christ.*

Faithfully,  
Jack

### Do you have someone on "Prayers of the People" list that is not a member of our church?

Would you like for this person to know that Redeemer is praying for them each week?

If so, please provide me with the address of person and I will send them a hand written note, from The Church of the Redeemer, letting them know they are in our thoughts and prayers.

Beth Hamilton ~ 313-2406

## Christian Education

I've been thinking a lot about different seasons lately. Maybe it's because I am getting older and it is just a natural progression of life. Looking back at my article from this time last year, our church was in the season of a new rector search. We were in the process of many changes. Much physical groundwork was being laid, while we prayerfully waited for God to show us our next season here at Redeemer. His plan is unfolding as we get ready to welcome Reverend Catherine Tatem to our Redeemer family. I am truly looking forward to getting to know Rev. Catherine and working with her in ministry together.

### A Plea for Help...

August is the busy season of planning for youth Sunday school classes and activities for the fall. To be honest, your help is desperately needed to make it all happen! There are 3 classes that will be offered for the ages of children we will have in the fall. Sanctus (grades K-5), Hands of God (grades 6-8), and The Dove's Nest (grades 9-12.) Each class should have 2 teachers per Safe Church guidelines, so a lot of volunteers are needed!

Teaching or assisting with Sunday school is not a huge time commitment. The more volunteers we have the less you teach. It would be great to have 8 volunteers per class, that way you only teach once a month. Our Sunday school year runs September through May. That's only 8 months out of the year, and doesn't include the holidays when there is no class. Most other denominations teach Sunday school the entire year and the same person teaches every week! You do not need any prior experience in teaching. The lessons are sent to you ahead of time for you to look over at your convenience. Everything is set up in the classroom and ready to go before you arrive on Sunday morning.

Finally, one of the best reasons to volunteer is getting to know the kids and helping them grow in their faith. Most of the time they

teach you more about life and love than you teach them. It would be such a shame and a great loss for all of us to be unable to offer a Christian education program for the youth of Redeemer because we don't have enough volunteers.

It is often said, that the youth are the future of the church. While that is very true, I think we should focus on the fact that: *the children and the older youth of the church are our Present!*

It is extremely vital for the life of the church that the youth are lifted and equipped to receive Christ's blessings and spread the love and promise of The Good News to others!

Make the commitment to make church and the youth of Redeemer a priority and be here often. Did you know that almost every reference of "church" in the New Testament is about the local church? Local church is defined as a group of Christians who have promised together, to gather regularly for worship in ministry. We are all nourished when we gather in His name through corporate worship, Bible studies, and church ministries.

God has given each of us spiritual gifts. If you know what your gifts are, then let's get fired up and use them! If you are like me and are still trying to figure out what your gifts are, let us help one another to discover what those gifts are and how to use them to glorify the Lord!!

*"And his gifts were that some should be apostles, some prophets, some evangelists, some pastors and teachers, for the equipment of the saints, for the work of ministry, for building up the body of Christ."*

Ephesians 4:11-12

Everyone will agree that when something is asked of our parishioners, it has always been provided. Please prayerfully consider sharing your time this year with the youth at Redeemer. I know it will be a great year and I am looking forward to all this next season has to offer us.

All in His name. Lori

## Help Wanted!

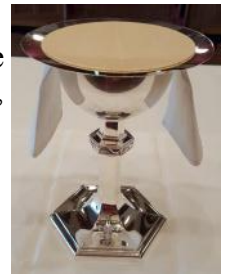

Do you want to get involved with helping at Redeemer but just don't know where to start? Would you like to be a part of the service from "behind the scenes"? If so, we have the perfect job for you: Altar Guild member!

Members of the Altar Guild work either before or after the service to set up or clear the altar. It is more than a checklist: it can be something that feeds and nourishes your faith. The Altar Guild is a special group, charged with the awesome responsibility and privilege of tending to the beauty, peace, and tranquility of worship.

Please think about this once a month chance to serve. We will be meeting on Saturday, August 10 from 9:00-11:30am with optional lunch out following.

This is a chance to see what we do, help "clean up" the Sacristy, and meet some great people!

## Thoughts on Stewardship

We pose the question to you once again - What is the purpose of a Financial Stewardship Campaign? The answer seems to be multi-faceted – paying, bills, supporting salaries for invaluable staff, facility improvement, and supporting our community. The apparent answer, but not the true purpose of Stewardship.

The true purpose of Stewardship is giving back. The purpose of Stewardship applies to each of us. Stewardship is our opportunity for commitment and giving back to God. We have a need to give back to God the blessings we received daily – including our financial blessings. Your giving allows our church to give back to God through the ongoing work of the church. Quoting from **Donate** in the **GIVE** section of our website: *"Your Generosity to God's mission through The Church of the Redeemer is a powerful commitment. It changes lives. It changes the lives of those who need to know God and His love more fully and it changes our lives, as members and supporters of His church who have the privilege of enabling that love to be brought to the world around us".* **WOW** – wow indeed! The purpose of a stewardship campaign is to intentionally record our generosity as participants in God's mission.

By the act of giving back a portion of the treasures with which we have been blessed, we help Redeemer change lives of those in need. It also changes our lives as we enable love to be brought to the world around us. **It is simple, the more we give back the more Redeemer can do to help change lives, ours included!**

God has blessed us in so many ways and we need to respond in a very Intentional and Generous way. Stewardship Sunday is scheduled for October 20 this year, but don't wait until then to help make a difference. You can contact the parish administrator at any time or you can make a pledge on line by going to the **GIVE** section on the website. Let's make Stewardship at Redeemer a year-round event culminating on a Sunday in October. Help change lives – pledge today.

Blessings to all,

*Your stewardship committee: Debbie Bauer (chair), Debbie Price, & Kathy Shugart*

## YES, THERE IS AN ORGANIST/CHOIR DIRECTOR SEARCH COMMITTEE!

We have been blessed to have Stephany Austell 's talent to program and "play" our organ when a substitute is unavailable. We also are grateful for Pat Sullivan and Julie Florin who continue to play for us. They all have filled our church with the wonderful sound of music. Thank you!

The emphasis has been on our search committee and rightly so. We formed an organist/choir director search committee shortly after our last organist left. We have been continuing to meet since our formation. First, we discussed what we needed in this position here at Redeemer both immediately and visions for the future of our music program. We have also met to discuss strategies on advertising the position and followed up on leads for prospective applicants.

Now that fall is coming and our new rector will arrive, we will review our initial job description and needs with Rev. Tatem. If you know of someone who might be interested in the position or would recommend someone—let us know. Be assured that the search continues and the right person will come to lead us in a wonderful music program. Please continue to keep this search committee in your prayers.

Phyllis Webb, Chair ((864)271-1392 or [stphwebb65@charter.net](mailto:stphwebb65@charter.net))

## ALWAYS REMAIN THANKFUL

We have many things to be thankful for these days at Redeemer. We have been blessed with Father Mark & his ministry to us. Our wardens & vestry members have continued their strong lay leadership & our search committee brought us a wonderful new rector. We also can continue to give thanks for all our blessings by with our daily prayers and the coins placed in your Blue Box which will go to support the United Thank Offering 2020 Grants. We will soon have our Fall Ingathering, but our diocese was blessed with three 2019 grant awards.

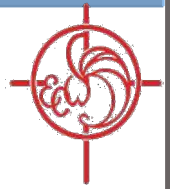

The first two involve service by two young women here in Greenville. Courtney Watson received a \$4000.00 Young Adult Grant – Textile Village Servant Corps. This will be a service based intentional community in Greenville for 20-29 year olds looking for a year of personal discernment, community immersion & spiritual formation. Historical Grants – UTO in Partnership with Jasmine Road and Diocese of Upper SC for a Julia Chester Emery Internship in the amount of \$35,000.00. Isabelle Watkins, a graduate of Furman University, began her internship July 1 at Jasmine Road a UTO Grant Site which is a home dedicated to getting women suffering from sexual trafficking & abuse in many forms back on their feet. She will assist the Residential Service Coordinator in ensuring all activities promote the residents recovery & overall mission of Jasmine Road.

We had many so many of you who lifted up their prayers & coins at our Spring Ingathering. We were able to send **\$713.74** which will go towards the 2020 UTO Granting Period. Please continue to use the discipline of sending up your daily prayers for you many blessings & dropping your coins in your Blue Box as we approach our **September 28** Ingathering. UTO Boxes & other additional information are available in the Information Center.

**Always Remember:  
From Small Coins Come Great Things!!**

## LOOSE OFFERING HELPING EDUCATION

Last fall, at the 96th Diocesan Convention the body voted to designate the last Sunday in August as the suggested date that all congregations would dedicate their loose plate offering to the Bena Dial Scholarship Fund. In 1926, Mrs. George I. (Bena) Dial was chairman of the Ladies Auxiliary's Department of Religious Education subcommittee.

She quickly moved beyond her role of keeping in contact with "our own college students" into recognizing the need to gather information concerning the financial needs of these students. The Ladies Auxiliary established that same year a fund in her name to help "worthy girls in our diocese to secure an education".

Our Episcopal Church Women have continued to support this fund in its many forms since 1926. Currently, applicants, both female & male, are chosen from rising seniors, current college & technical students, seminarians, and graduate students. The amount of the scholarship & how many are awarded is dependent on the donations received from each parish. Redeemer recipients included Gloria Suarez who was able to complete her MBA with the help of the money she received.

***Redeemer will send the loose offering taken in Sunday, August 18 to the Bena Dial Scholarship Fund.*** This will go along with a Sunday in which we will bless not only our student's book bags, but also our teachers both our Redeemer Sunday School teachers and those who teach in public arena.

*Please be generous in supporting the opportunity to help those going on the higher education with your loose offering (checks may be written to Church of the Redeemer designating Bena Dial Fund).* Many Thanks!

## LEARN ABOUT AND SUPPORT SAMARITAN HOUSE A COR OUTREACH PROJECT

Samaritan House is a charity that The Church of the Redeemer has supported for many years. It is a food bank that provides food for families in and around The Church of the Redeemer neighborhood including folks in Pleasant Valley and those in Greenville County in need of nutritional support.

On Sunday, August 4, Redeemer's service will provide information about the services and goals of Samaritan House. One critical need coming rapidly down the pike is having to move from their current location at Augusta Heights Baptist Church, just around the corner from COR. Up to this point, Augusta Heights Baptist has allowed Samaritan's food bank to operate out of a 900-square foot building at no charge. AHBC is selling off that portion of their property to a developer for housing that is not considered "affordable housing."

Food to hand out to needy clients is collected in a variety of ways, most from the USDA surplus. A powerful way to acquire food is Samaritan House's ability to purchase donated food through Harvest Hope at \$0.19/lb. That makes cash a powerful tool. Other food comes through our own collections that call for canned tomatoes, beans, corn, or other common foods. Clients can visit the food bank now twice a month and leave with varying amounts depending on family size.

On August 4th, please plan to join us and **bring a donation** of one- or two-pound bags of rice that will help fill a need within the food pantry, as well as hear Executive Director, Steve Fior discuss the mission of Samaritan House. Remember also that the Fourth is a first Sunday of the month and one half of the loose money in the plate goes into the Rector's Discretionary Fund and the other half to our outreach mission.

Most importantly, if you are able to offer suggestions for relocation of Samaritan House (preferring 1,000 square feet or more) at little or no cost, please pass along that information to Rick Hankinson. Prayers are needed to keep the worthwhile mission of Samaritan House alive.

## Transforming Roma

Check out the article on our website about the work that Gary Powell is doing with One Collective in Ukraine.

## Collecting for the Children of Ukraine

We will once again be sending off a box of warm hats, scarves, and gloves for the children of the Ukraine where our missionary, Gary Powell, lives, works, and prays. Please bring any warm items to the parlor by September 20.

We will bless them and ship them out by the end of the month. If you need yarn for making something by hand, please check out the closet in the parlor where we have donated yarn stored. Thank you!

SOS visits Samaritan House in 2018 & 2019 to help.
