### For All the Saints

The secular tradition of giving out treats on Halloween has its roots in the idea that doing good works, such as giving food to beggars, can help souls get the heaven. In England these were called "soul cakes," and visitors to your house were given one. Others walked the streets chanting:

*A Soule cake, a Soule cake,  
have mercy on all  
Christian soules for a  
Soule cake."*

It is an interesting tradition. Of course, God's mercy and our salvation do not come from cake, even if it is called "Soule cake."

Pumpkin carving comes from the search for soul cakes or other treats. Beggars or Christians would walk door-to-door using a lantern/pumpkin/squash with a candle in it for light.

This tradition has its own chant:

*Soul! Soul! For an apple or two  
If you have no apples,  
pears will do.  
If you have no pears,  
money will do.  
If you have no money,  
God bless you!*

## Our Stories with God

Join us for Adult Sunday School on Sundays in November.

Our program will continue on Sunday, Nov 3 with Annette Burdette sharing a bit of her life and faith journey, a fascinating and moving story. Please join us at 10:45 in the Adult Sunday School classroom, following the coffee hour after the service.

Coming up in this class (after Annette) will be a review and discussion of the feature-length film, "Paul, Apostle of Christ." The movie will be broken into three segments presented on three consecutive Sundays, and will be used as a springboard for discussion about the life and significance of Paul, the early church, and what it was like to be a Christian in that time.

We also would like to invite members of Redeemer to share their stories with God in this class. If you would be willing to do this, please let Wallace Lightsey, Betty Boesch, Brendan Payne or Rick or Margie Hankinson know.

## Vestry Meeting Minutes

The minutes for the monthly Vestry meeting can be found posted on the bulletin board outside the office.

some, this is a struggle. So, the Pastoral Care Committee is asking for your help to fill baskets with Thanksgiving foods for two of our church families. Mother Catherine will make the deliveries on behalf of Redeemer.

Please bring your shelf stable foods to church and put them in the white baskets in the Narthex by November 17. Frozen Turkeys are welcome and can be placed in the freezer with a "THANKSGIVING BASKET" label.

Thank you for sharing your bounty with others in our Redeemer Family!!

# THE CHURCH OF THE REDEEMER

## Vestry Nominations – Class of 2022

The Vestry of The Church of the Redeemer is pleased to nominate the following candidates for election to the Vestry as members of the class of 2022. Those nominated by the Vestry to serve your church for the next three years are:

Greg Brown, Annette Burdette, Daniel McCullough and Robin Mill.

**Vestry election will be held, Sunday November 17, 2019.**

A brief biographical on each candidate is provided for your reference.

### **Greg Brown**

My name is Greg Brown. I was born and raised in Baltimore, Maryland. My wife, Sandy, and I have 3 children and 6 grandchildren. We have been members of the Episcopal Church all of our lives. From age 10 to 17, I sang in the Old St. Paul's Episcopal Church Boys Choir – a wonderful experience that I treasure to this day. Throughout my college years, I sang in glee clubs, as well as a church choir. I received my undergraduate and graduate degrees in Electrical Engineering from Johns Hopkins University in Baltimore, Maryland.

After college, I worked for Bethlehem Steel Corporation for 10 years as an electrical engineer. A job offer from what is now Fluor Corporation brought our family to Greenville, South Carolina. I worked for Fluor for over 33 years and have been retired for about 5 years. During my years at Fluor, I worked on engineering/construction projects in many different states, and have traveled abroad to Russia, China, Turkey, and Macedonia.

I became involved with The Church of the Redeemer when Sandy's mother, Evelyn Bond, was a member of the church choir. Through Evelyn, we met many wonderful church members and shared in various church activities. I have been singing in the Redeemer choir for the last 11 years. I have been a Vestry member from Feb 2015 to Jan 2018. While on the Vestry, my commission was Pastoral Care. During my time on the Vestry, I have come to know more of our parish family members. Within the Pastoral Care commission, I have had the opportunity to become involved with the following: Eucharistic Visitors Ministry, Prayer List Ministry, Card Ministry, Phone Call Ministry, Handy Man Ministry, Food/Meals Ministry and Transportation Ministry.

Because of my prior wonderful experience on the Vestry, I believe that the Lord wants me to continue my involvement with the church. Being a member of the Vestry will lead me in the direction that I believe the Lord want me to go.

### **Annette Burdette**

I have been a member of The Church of the Redeemer since 1981. During all this time I have been active in the church. I have been retired from teaching for the past 7 years. Since then I have been Vestry secretary. I have been impressed with how the Vestry prayerfully and thoughtfully makes decisions. The members of the Vestry are respectful of others viewpoints. I would feel honored to be a part of this group.

## Daniel McCullough

Many of you have met me at some point over The Peace or coffee in the transept, but for those that haven't, I have been an avid member of The Church of the Redeemer since my birth. My family and I still sit in the same second row pew where we would sit with my grandfather who was hard of hearing. Through my upbringing in the Church, I was a regular member of the EYC youth group from Sunday night meetings to skiing in the mountains at the Jernigan Mountain House or lake trips at Ken Wood's Lake House.

Upon starting Middle School at St. Joseph Catholic School, I began serving as an acolyte at the 8:30am service and during High School I was the head caretaker of the garth. I have always tried to volunteer as much of my time to the church including helping with the church yard sale, unloading pumpkins for the annual pumpkin patch, bringing in the Chrismon Tree or anything needed of me, no matter the size of project.

Through the church, I was able to reach out to other charities including building the children's playground at Pleasant Valley Connection for my Eagle Scout Project. Upon beginning college at The Citadel, my attendance at The Church of the Redeemer was reduced to my homecomings, but I continued to practice my faith at The Church of the Holy Cross on Sullivan's Island. I graduated in 2015 and now work for a Civil Engineering Firm as a Project Engineer. I look forward to continuing my service to Christ and The Church of the Redeemer.

## Robin Mill

My name is Robin Mill. I was born and raised in Miami, Florida. I graduated from Florida State University with a Bachelors degree in Foreign Language Education. I moved to Greenville after meeting my husband, David. We were married in 1979 and are celebrating our 40th wedding anniversary. We are the blessed parents of three wonderful children, three awesome grandchildren, with another due in January. Having been raised Jewish, after attending The Church of the Redeemer for the first twenty years of our marriage, I was baptized and confirmed here in 1999.

I have taught Spanish at J L Mann for four years and Mauldin High for nine years. I then earned my Master of Arts in School Administration from Furman University in 2002. I then spent 15 years at Berea Middle School, where I served as Assistant Principal for five years and ten years as Principal. I retired in 2018, to help care for two of my grandchildren.

I have served The Church of the Redeemer as a Lector I, Lector II, Vestry Member, Sunday School Teacher, Vacation Bible School Director, Usher, Flower Guild, and most recently as the Chair of the Search Committee. I would be honored to be able to serve as a Vestry Member again.

**Do you have someone on  
"Prayers of the People" list that is not a member of our church?**

Would you like for this person to know that Redeemer is praying for them each week?

If so, please provide me with the address of person and I will send them a hand written note, from The Church of the Redeemer, letting them know they are in our thoughts and prayers.

## Ukraine Connection

October 2019

Dear Brothers and Sisters in Christ,

It has been quite a while since I have penned a note to you. COR is consistently on my mind as we take this walk with Christ together in the Ukraine. I want to give a warm welcome to Rev. Catherine and pray that in the short time she has been with us at Redeemer she sees that Jesus and the Holy Spirit are indeed alive and present inside and outside the walls of the church reaching all the way to Ukraine.

Our work here is expanding. God has opened many doors to show the love of Jesus especially to non-believers. I see this happening from joining families in prayer, joining in worship and home groups in the five Roma camps, to developing new ministries here in and around Uzhgorod. I am given the honor to speak occasionally in the Roma churches and one time I shared that I know that I am not of their culture, but we have one thing in common, and that is our love for Jesus. God sees no difference between you and me. We are all equal in His eyes. As I go through the camps and see the conditions of some of the homes: garbage all over, some houses with no windows, very little to eat; it is very easy to just see the suffering and misery and not see the people and the love they so badly need.

I have mentioned in previous letters about being led by the Holy Spirit. It is not always a clear path of which way to go, but I have come to realize that God doesn't always speak clearly to our way of understanding, but sometimes He "goes through the back door." Good examples for me are the expanding ministries that I have been allowed to start using local partners.

I now partner with a Ukrainian missionary who helps me to translate when going into the Roma camps. We visit

desperately poor Ukrainian families, bringing them a small amount of food and a lot of prayer. It is called Poverty Relief.

We are looking at families who want to make a commitment to make some changes and look for ways to do this through education, jobs or medical help, to name a few. These are in the beginning stages. While out visiting one of these families, I noted that they had a goat that supplied the family with milk. That gave me an idea to present to Doug Landro about purchasing goats for other families. I asked another family of 10 people living in a small village if they would like a goat to provide milk for them. They said yes, so I am now in the process of getting one of my team members out there to build a goat enclosure and in God's time I will deliver a goat to them.

This led to a discussion with my team leader about the sustainability of providing goats for both Ukrainian and Roma families. Through COR's support I bought a load of fire wood for a Ukrainian family with three small children who had no way of heating their house this winter. The husband is physically abusive to his wife and takes whatever money she has, often leaving the family with very little to eat. That day when I first met the mother and children, it was another door that was opened and I asked myself, what would Jesus do?

Another project that is in the beginning stages is called the Roma Mentoring Partnership whereby I am partnering with a Ukrainian carpenter to provide the skills to train young Roma men in carpentry. We are working with a group called Roma Transformation and the local Roma churches to find men who will commit to training. This is another way to help lift the Roma people out of their poverty using local people and local companies.

About a year and a half ago when I first started visiting one of the camps, I was introduced to a husband, his wife and children and the only believers in that camp. I asked if I could go out and visit in some of the houses in the camp and get to know and pray with the families. I was told I would not be welcome in any of them. Well, God opened doors and I

have since made friends with many families and they welcome prayer.

The wife in the family that I first met in that camp had a small store in which she sold food and items to the people in the camp, but ran out of money to continue the business. That is the next door that God opened for me to help restart the small business in the camp. I provided funds to open and stock the store with the commitment that the owner would attend a Christian business counseling service which is a part of the Alliance.

Your prayers, support and active participation in providing the next shipment of knitted garments and also yarn and knitting needles will be arriving soon. I already have Roma and Ukrainian women willing to start knitting classes. Another business maybe?

I want to end this letter by asking each one of you to continue to seek God's will and paths to show the love of Jesus and in doing so making disciples. Be led by the Holy Spirit. You will not be led astray. Trust and Obey.

#### Prayer requests

That God will continue to provide doors to be opened to spread the love of Jesus to the oppressed and forgotten.

For strength, spiritually, and the stamina for me to continue His work.

For guidance to again pursue another trip to the front lines on the East Coast near the ongoing war, and that in doing so the people there will know that God loves them.

Peace in Ukraine.

His,  
Gary

## Ukraine Knitting

Thanks to all those who knit, crocheted, sewed, and brought warm hats and mittens to be shipped to the Ukraine. This year we also sent yarn and knitting needles that had been donated and stored in the Parlor. Two huge boxes are in the process of being shipped. We had 143 hats, 21 scarves, seven boot socks, and 32 mittens and one child's sweater. We

also had 134 skeins of yarn and about 50 sets of needles that Gary had asked for so that the women can make their own outerwear. What a wonderful outreach to children in another part of the world!

## A New Home for Samaritan House

Samaritan House is in the process of finding a new home! Since Augusta Heights Baptist Church is selling the property that Samaritan House presently uses, the search has been on. We wanted to stay in the same relative neighborhood so that the Pleasant Valley people that we serve would not be abandoned.

Negotiations are now going on with Buncombe Street Methodist Church to use a building on the Trinity Church campus. This is on Augusta Road, about seven-tenths of a mile from the present Samaritan House. The Board is now working on the details. We will need to build a ramp and put up more fencing in addition to improving parking and adjusting the interior to suit our needs. Please continue to pray for the Samaritan House Board as we discern what is best for this ministry. We have been regularly serving over 100 households each week.

## Christian Education

November is a perfect time to be thankful and express gratitude to all of you at Redeemer for your support of the 4<sup>th</sup> annual A.R.C.U.M. pumpkin patch. There is no way I could possibly name everyone that gave their time and support. There were endless tasks that had to be done and so many hands that helped in countless ways such as: collecting pallets, setting up the patch, unloading the truck, working the patch, throwing away smelly rotten pumpkins, opening and closing each day, counting money and dropping off nightly deposits at the bank, and not to mention... buying pumpkins.

Movie night was a big hit as well! We had over 100 people from the community and various churches come spend their evening with us on the front lawn.

Thank you to the volunteers that helped with set up and tear down for the big night. The list really could go on and on. It was all a lot of hard, but good work, and in the end it was worth it all! It has been a pleasure and a blessing to be able to help 3 local organizations further their cause to help those in need.

Thank you so much!

## Need a Few Good People

The Card Writing Ministry, a part of Pastoral Care, writes birthday and anniversary notes to those in our parish who are on file. In addition, this ministry writes cards when we hear of someone who is having surgery, is in the hospital, etc. People on the ministry serve one month at a time, and it is an easy way to get involved in the church. Please contact Meg Coffey at [megcoffey@yahoo.com](mailto:megcoffey@yahoo.com) or 864-525-6681 if you would be willing to take on a month of card-writing.

Our Homebound and members on our prayer list LOVE to hear from you. Cards are always welcome and a visit would be even more appreciated! Let them know you care!

Many groups use our building. If you move furniture or other items in rooms, or between rooms, please be sure to return them to the way you found them. Help us by being good caretakers of our building. If you create a mess, clean it up. If you see something out of order, let the parish office know, or help us by fixing the problem. We appreciate all you do to keep Redeemer beautiful!
